Name:

**Armando Chavez**

---

Age:

**Eight**

---

Armando entered “Casa de la Esperanza” in July 2007, along with his younger brother Rafael and his sister Esmeralda . They were found neglected in the streets by the parents who are both alcoholic. Armando has an innocent, sweet, polite, and kind personality. Last winter when asked what he would like for Christmas, he replied he would like a small yellow car, snow, sunshine, and a dog. This is just one of many ways in which he warms our hearts with his beautiful spirit. He enjoys playing outside, singing during our daily devotionals, and listening to various Bible stories.
