

our children

Name:

Bryan Cruz

Age:

Four

Bryan entered “Casa de la Esperanza” in August 2007 at the age of two. His father is unknown and his mother abandoned him soon after he was born. Bryan is a precious little boy whose smile warms everybody’s heart as we watch him play and interact with other children. He likes playing with trucks in the sand, running outside with other children, giving hugs, and laughing. He is naturally a happy child and he brings joy to everybody at Casa.
