

our children

Name:

Maribel Cervantes

Age:

Twelve

Maribel entered Casa in August 2004 at the age of seven. Her family is Tarahumara (indigenous Indian tribe), and her parents do not have sufficient resources to send Maribel and her younger sister, Cristina, to school. Since Maribel came to Casa she has been a blessing to everybody. Her sweet spirit is evident from her smile to the way she relates to others in kindness and respect. She enjoys singing children's praise songs during our daily devotionals, drawing, and playing outside with the other children.
