Name:

Rafael Chavez

Age:

Six

Rafael is a recent resident of “Casa de la Esperanza.” He was brought to Casa with his older brother, Armando, and his younger sister, Esmeralda due to neglect. Both of his parents are alcoholics and rarely visit Rafael and his siblings. Rafael is a precious boy who always has a smile on his face. He enjoys sitting on someone’s lap during the devotionals and singing praise songs. In the warm sunny summer days he is always outside playing with little trucks in the sand. Rafael brings joy to everyone’s around him.
