Name:

Silvia Amanda Rodríguez

Age:

Ten

Amanda is the sweetest and smartest first grader. She came to live at “Casa de la Esperanza” on May 30, 2005 because her mother died and her aging father could not take care of her. She is very intelligent, kind, a little shy, and very affectionate. She always comes to do her homework with a big smile on her face and loves to give hugs to everyone when she finishes her assignments. She receives good grades at school and likes studying. Other activities Amanda enjoys dressing up and playing with her Barbie dolls.
