

our children

Name:

Yulisa Rascon

Age:

Ten

Yulisa arrived to “Casa de la Esperanza” on December 17, 2007 after her mother died and her father abandoned her. She is a sweet, well-mannered, respectful, and affectionate girl. Although she has not been at Casa very long, she has already built many friendships with girls her age here. She is very polite and kind to others. Yulisa likes participating in our daily devotionals and learning Bible stories. She has been a blessing to the children and the employees since she joined the family at Casa.
